

Biotechnology Companies

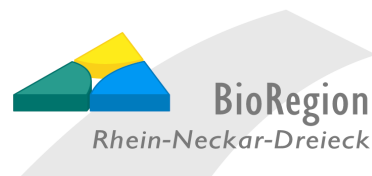

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>Abnova GmbH Boxbergring 107 69126 Heidelberg</p> <p>FON: (06221) 825 877 FAX: (06221) 825 878 busdev@abnova.de www.abnova.de</p>	<p>High throughput monoclonal antibody production as an enabling technology for proteomic research. Subsidiary of the world's largest monoclonal antibody and recombinant protein manufacturer.</p>
<p>Affimed Therapeutics AG Im Neuenheimer Feld 582 69120 Heidelberg</p> <p>FON: (06221) 65307-0 FAX: (06221) 65307-77 info@affmed.com www.affimed.com</p>	<p>New recombinant antibodies for the treatment of cancer and other diseases</p>
<p>ALANTOS Pharmaceuticals AG Im Neuenheimer Feld 584 69120 Heidelberg</p> <p>FON: (06221) 739 010 FAX: (06221) 739 0139 info@alantos.com www.alantos.com</p>	<p>Discovery and development of small molecule drugs with a focus on type II diabetes and osteoarthritis/inflammation</p>
<p>AIPlanta - Institute for Plant Research RLP AgroScience GmbH Breitenweg 71 67435 Neustadt/Weinstraße</p> <p>FON: (06321) 671 1301 FAX: (06321) 671 1313 gabi.krczal@agrosience.rlp.de www.agrosience.de</p>	<p>Development of new genotypes in agriculture and horticulture: improvements of pest and virus resistance, stress tolerance, development of biopesticides; characteri-zation of host-parasite relationships and epigenetic changes</p>
<p>Antitoxin GmbH Industriestraße 88 69245 Bammental</p> <p>FON: (06223) 866 110 FAX: (06223) 866 113 www.antitoxin-gmbh.de</p>	<p>Production and marketing of monoclonal and polyclonal antibodies, sera and reagents for blood group testing and related determinations.</p>

Biotechnology Companies

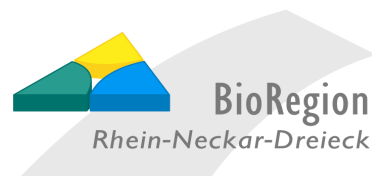

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>Apogenix GmbH Im Neuenheimer Feld 584 69120 Heidelberg</p> <p>FON: (06221) 586080-0 FAX: (06221) 586080-10 contact@apogenix.com www.apogenix.com</p>	<p>Discovery and development of drugs which exert their effect by modulating apoptosis</p>
<p>Axios Pharma GmbH Im Neuenheimer Feld 517 69120 Heidelberg</p> <p>FON: (06221) 471394 labor@axios-pharma.de www.axios-pharma.de</p>	<p>Chemotherapy sensitivity tests for cancer diseases; measurements of tumor status; tumor vaccination</p>
<p>BILATEC AG Heidelberger Str. 5-7 D-68519 Viernheim</p> <p>FON: (06204) 70 15 97 0 FAX: (06204) 70 15 97 9 info@bilatec.com www.bilatec.com</p>	<p>Development and distribution of user-specified complete packages of instruments, reagents and consumables for the genomics and proteomics market in high throughput screening and diagnostic laboratories</p>
<p>BioCat GmbH Im Neuenheimer Feld 581 69120 Heidelberg</p> <p>FON: (06221) 71415-16 FAX: (06221) 71415-29 info@biocat.de www.biocat.de</p>	<p>Innovative tools and services for research in molecular and cell biology. Products and services are provided by BioCat's partners in the USA, Korea, Taiwan, Italy and Germany by technology transfer and licensing in the areas of functional genomics and proteomics</p>
<p>BioGeneriX AG High-Tech-Park Mannheim Janderstr. 3 68199 Mannheim</p> <p>FON: (0621) 87 556-10 FAX: (0621) 87 556-33 contact@biogenerix.com www.biogenerix.com</p>	<p>Subsidiary of the Merckle/ratiopharm Group. Development, licensing and sales of the most important biotech pharmaceuticals at the date of patent expiry, with most severe quality assurance</p>

Biotechnology Companies

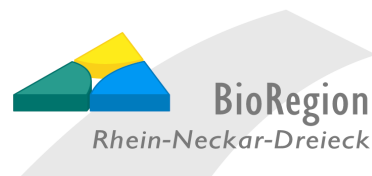

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>BIOMEVA GmbH Czernyring 22 69115 Heidelberg</p> <p>FON: (06221) 9026 0 FAX: (06221) 9026 90 info@biomeva.com www.biomeva.com</p>	<p>cGMP-production of biopharmaceuticals (API's)</p> <ul style="list-style-type: none"> - 10, 100, and 1.000 L fermentation scale - Purification - Filling of Bulk substance (API) - Quality Control - Sophisticated QA system <p>Manufacture and testing of microbial master and working cell banks Bioanalytical services Validation of manufacturing processes and analytical methods</p>
<p>Biopharm GmbH Czernyring 22 69115 Heidelberg</p> <p>FON: (06221) 53830 FAX: (06221) 538320 info@biopharm.de www.biopharm.de</p>	<p>Molecular biological and biochemical research and development. "<i>Science as Service</i>": Analytical work for the preclinical testing of drugs and medical products. Quality control for pharmaceuticals</p>
<p>BioPheresis GmbH Im Neuenheimer Feld 518/519 69120 Heidelberg</p> <p>FON: (06221) 61891-02 FAX: (06221) 61891-11 info@biopheresis.de www.biopheresis.de</p>	<p>Developing patented technology for the treatment of certain cancers.</p>
<p>BioRépair GmbH Blumenstr. 4 74889 Sinsheim</p> <p>FON: 0700-44433322 FAX: 0700-99887767 biorepair@t-online.de www.biorepair.com</p>	<p>Diagnostic tools for parasitology, microbiology and immunology in human and veterinary medicine</p>
<p>Biotrin International GmbH Redtenbacher Str. 8 69126 Heidelberg</p> <p>FON: (06221) 43339 0 FAX: (06221) 43339 10 info@biotrin.de www.biotrin.ie</p>	<p>Distributor for virological and microbiological diagnostics, e.g. glutathion-S-transferases, parvoviruses</p>

Biotechnology Companies

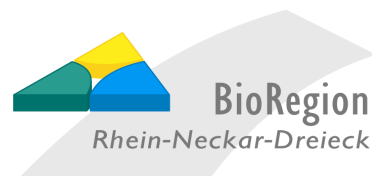

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>BioVendor GmbH Im Neuenheimer Feld 583 69120 Heidelberg</p> <p>FON: (06221) 433-9100 FAX: (06221) 433-9111 www.biovendor.com</p>	<p>Specialist in the production and distribution of in vitro research products for molecular and cellular laboratory medicine.</p>
<p>B.R.A.I.N. AG Darmstädter Str. 34 64673 Zwingenberg</p> <p>FON: (06251)9331 0 FAX: (06251)9331 11 www.brain-biotech.de</p>	<p>Molecular biological & molecular genetic R&D for chemicals, pharmaceuticals, bioprocessing; and other industrial processes</p>
<p>CE-Immundiagnostika GmbH Seerain 13 74927 Eschelbronn</p> <p>FON: (06226) 42100 FAX: (06224-42012) info@ce-immundiagnostika.com www.ce-immundiagnostika.com</p>	<p>GMP-manufacturing of blood grouping test sera, adjuvants, polyclonal antibodies in sheep and rabbits on a subcontract basis, and the production of whole blood, plasma or serum.</p>
<p>Cellzome AG Meyerhofstr. 1 69012 Heidelberg</p> <p>FON: (06221) 137 57 0 FAX: (06221) 137 57 202 info@cellzome.com www.cellzome.com</p>	<p>Cellzome takes existing drugs and drug-like molecules to systematically identify proteins in the human proteome using proprietary technologies. Its integrated drug discovery process leads to a dramatic increase in productivity and generates a strong pipeline of drug candidates for important diseases.</p>
<p>ChemCon GmbH Engesserstr. 4 B 79108 Freiburg i. Br.</p> <p>FON: (0761) 5597 440 FAX: (0761) 5597 449 info@chemcon.com www.chemcon.com</p>	<p>Contract Research and Custom Synthesis of Active Pharmaceutical Ingredients as well as organic and inorganic Chemical Specialties in small quantities.</p>

Biotechnology Companies

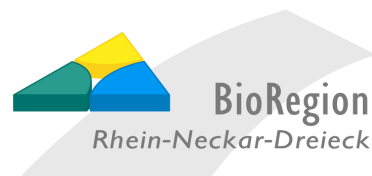

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>Complex Biosystems GmbH Im Neuenheimer Feld 584 69120 Heidelberg</p> <p>FON: (06221) 438 53-0 FAX: (06221) 438 53-11 office@complex-biosystems.com www.complex-biosystems.com</p>	<p>Drug development company using proprietary technology to enhance the therapeutic profile of protein macromolecules</p>
<p>CRS Clinical Research Services Mannheim GmbH Richard-Wagner-Str. 20 67269 Grünstadt</p> <p>FON: (06359) 899-0 FAX: (06359) 899 226 www.crs-group.de</p>	<p>Clinical studies in the whole range of phase I to phase IV for the pharmaceutical industry</p>
<p>Cytonet GmbH & Co. KG Albert-Ludwig-Grimm-Str. 20 69469 Weinheim</p> <p>FON: (06201) 25980 FAX: (06201) 2598-29 info@cytonet.de www.cytonet.de</p> <p>Im Neuenheimer Feld 582 69120 Heidelberg</p>	<p>Development, production and marketing of cell therapeutic products for a causal treatment of presently incurable diseases using specifically prepared human cells</p>
<p>ELARA Pharmaceuticals GmbH Meyerhofstr. 1 69117 Heidelberg</p> <p>Tel: (06221) 387160 Fax: (06221) 3893311 www.elarapharma.com</p>	<p>Development of new small-molecule anti-cancer drugs</p>
<p>FBM-PHARMA Gesellschaft für biologische Medizin mbH Londoner Ring 105-107 67069 Ludwigshafen</p> <p>FON: (0621) 66930 0 FAX: (0621) 66930 29 info@fbm-pharma.de www.fbm-pharma-gmbh.de</p>	<p>Development of personalized medicines for the treatment of immunological diseases, such as asthma, neurodermitis, psoriasis and multiple sclerosis, as well as for complimentary therapy in the treatment of cancer.</p>

Biotechnology Companies

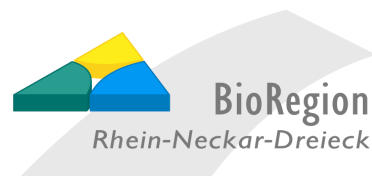

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>febit biotech gmbh Im Neuenheimer Feld 519 69120 Heidelberg</p> <p>FON: (06221) 6510-300 FAX: (06221) 6510-329 info@febit.de www.febit.com</p>	<p>Production and marketing of fully automated, integrated DNA analyzer (GENIOM®)</p>
<p>Fermentas GmbH Rot, Opelstraße 9 68789 St. Leon-Rot</p> <p>FON: (06227) 356790 FAX: (06227) 53694 info@fermentas.de www.fermentas.com</p>	<p>Distributor of restriction endonucleases, nucleic acid & protein markers and modifying enzymes, PCR, nucleotides, oligonucleotides, microbiological media, transfection reagents</p>
<p>Focus CDD GmbH Im Neuenheimer Feld 515 69120 Heidelberg</p> <p>FON: (06221) 6 49 35-0 FAX: (06221) 6 49 35-110 biomarker@focus-cdd.com www.focus-biomarker.de</p>	<p>European-wide Clinical Contract Research Organization. The Heidelberg subsidiary "FOCUS Immunology" concentrates on immunological R&D projects to accelerate the development of anti-inflammatory and immuno-modulatory drug candidates</p>
<p>Dr. Franz Koehler Chemie GmbH Neue Bergstr. 3-7 64665 Alsbach-Hähnlein</p> <p>FON: (06257) 5090 FAX: (06257) 50 933 info@koehler-chemie.de www.koehler-chemie.de</p>	<p>Reagents for X-ray contrasting, intensive care reagents; antidota</p>
<p>Gelita AG Uferstr. 7 69412 Eberbach</p> <p>FON: (06271) 8401 FAX: (06271) 842700 Service.eu@gelita.com www.gelita.com</p>	<p>The largest manufacturer worldwide of gelatines. Research on collagen, cartilage and connective tissue.</p>
<p>GeneArchitects AG Raiffeisenring 2 68789 St. Leon-Rot</p> <p>FON: (06227) 544690 FAX: (06227) 544688 info@GeneArchitects.com www.genearchitects.com</p>	<p>Contract research and services in DNA fusion technology: cDNA expression constructs, epitope-specific antibodies, DNA editing</p>

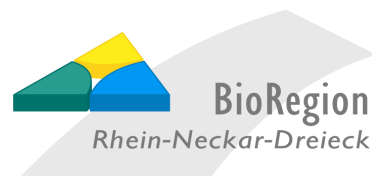

Biotechnology Companies

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>Gene Bridges GmbH Commercial Centre Im Neuenheimer Feld 584 69120 Heidelberg</p> <p>FON: (06221) 1370810 FAX: (06221) 1370829 contact@genebridges.com www.genebridges.com</p>	<p>DNA engineering for research and commercial organisations around the world (BACs, knock-out/knock-in constructs). Reagents (kits, plasmid strains) for non-commercial research organisations</p>
<p>Genotype GmbH Klingenstr. 35 69434 Hirschhorn</p> <p>FON: (06272) 9128-00 FAX: (06272) 9128-05 service@genotype.de www.genotype.de</p>	<p>Molecular biological & biotechnological contract research: DNA analysis and diagnostics, gene synthesis, nucleic acid preparation; DNA sequencing</p>
<p>Graffinity Pharmaceuticals GmbH Im Neuenheimer Feld 518 69120 Heidelberg</p> <p>FON: (06221) 6510 0 FAX: (06221) 6510 111 contact@graffinity.com www.graffinity.com</p>	<p>Fragment-based drug discovery and lead development of small molecule pharmaceuticals using its proprietary RAISE technology platform which includes chemical fragment microarray, label-free imaging of protein-ligand interactions, computational chemistry and lead discovery. Graffinity applies this technology in collaborations with leading pharma and biotech companies.</p>
<p>Heidelberg Pharma AG Schriesheimer Str. 101 - Rosenhof - 68526 Ladenburg</p> <p>FON: (06203) 1009-0 FAX: (06203) 1009-19 info@heidelberg-pharma.com www.heidelberg-pharma.com</p>	<p>Pre-clinical and clinical development of innovative therapeutics for the treatment of cancer, HIV/AIDS and autoimmune diseases. Application of its proprietary LCE-Technology to design NCEs with an improved drug profile</p>
<p>Heipha Dr. R. Müller GmbH Lilienthalstr. 16 69214 Eppelheim</p> <p>FON: (06221)759010 FAX: (06221)75901990 www.heipha.de</p>	<p>A member of the Biotest Group of Companies, Heipha specializes on the production of culture-media and substrates for microorganisms and cell cultures</p>

Biotechnology Companies

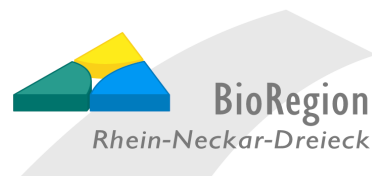

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>Immundiagnostik AG Wiesenstraße 4 64625 Bensheim</p> <p>FON: (06251) 70190 0 immundiagnostik@t-online.de www.immundiagnostik.com</p>	<p>Production and distribution of diagnostics. Recombinant proteins for immunodiagnostics</p>
<p>Institut für Klinische Transfusionsmedizin und Zelltherapie Heidelberg gGmbH Im Neuenheimer Feld 305 69120 Heidelberg</p> <p>FON: (06221) 568122 www.klinikum.uni-heidelberg.de/Blutspende-IKTZ.2770.0.html</p>	<p>Clinical applications of new developments in transfusion medicine and cell therapy</p>
<p>instrAction GmbH Donnersbergweg 1 67059 Ludwigshafen</p> <p>FON: (0621) 598 05-0 FAX: (0621) 598 05-20 info@instraction.com www.instraction.com</p>	<p>Lead identification, lead optimization and purification and separation of drugs using proprietary novel technology of synthetic polymeric receptors termed "Polymer<i>Instruction</i>"</p>
<p>Intavis Bioanalytical Instruments AG Im Neuenheimer Feld 583 69120 Heidelberg</p> <p>FON: (06221) 65 82 553</p>	<p>Manufacturing and distribution of automate protocols in biochemistry and molecular biology.</p>
<p>invendo medical GmbH Weberstr. 17 69469 Weinheim</p> <p>FON: (08233) 744 980 FAX: (08233) 744 9815 info@invendo-medical.de www.invendo-medical.de</p>	<p>Developer and distributor of consumable endoscopical products in the field of gastroenterology</p>
<p>Lipoid GmbH Frigenstr. 4 67065 Ludwigshafen</p> <p>FON: (0621) 538190 FAX: (0621) 553559 info@lipoid.de www.lipoid.com</p>	<p>The largest independent producer and supplier of lecithins and phospholipids of highest quality for pharmaceutical application, but also for the cosmetic and dietetic industry.</p>

Biotechnology Companies

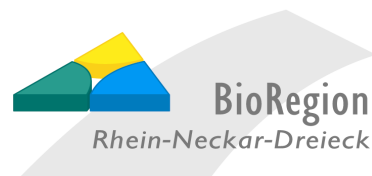

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>MetaSystems GmbH Robert-Bosch-Str. 6 68804 Altlussheim</p> <p>FON: (06205) 39610 FAX: (06205) 32270 info@metasystems.de www.MetaSystems.de</p>	<p>Cytogenetic image analyses and automated scanning; karyotyping; multispectral in situ hybridisation; microdissection of chromosomes</p>
<p>mtm laboratories AG Im Neuenheimer Feld 583 69120 Heidelberg</p> <p>FON: (06221) 64 966 0 FAX: (06221) 64 966 10 contact@mtm-laboratories.com www.mtm-laboratories.com</p>	<p>Novel molecular markers for the early detection, diagnosis and prevention of cancer. CINtec™ assays for the early diagnosis of cervical cancer</p>
<p>Multimetrix GmbH Maaßstr. 30 69123 Heidelberg</p> <p>FON: (06221) 75206 15 FAX: (06221) 75206 28 info@multimetrix.com www.multimetrix.com</p>	<p>Drug research and development and testing services for laboratory medicine and food technology, particularly using fluorescence technologies</p>
<p>Novaliq GmbH Im Neuenheimer Feld 515 69120 Heidelberg</p> <p>FON: (06221) 306 709 info@novaliq.de www.novaliq.de</p>	<p>Development of bio-compatible drug carriers based on semifluorinated alkanes. A company of the Geuder Group, Heidelberg.</p>
<p>ORPEGEN Pharma GmbH Czernyring 22 69115 Heidelberg</p> <p>FON: (06221) 91050 FAX: (06221) 910510 info@orpegen.com www.orpegen.com</p>	<p>Recombinant glycoproteins for drug development; pharmaceutical peptides such as generic peptide hormones and proprietary thymic peptide drug candidates; GMP-production of amino acid derivatives and peptides; rdiagnostic systems based on immunologically applied flow cytometry</p>
<p>Peptide Specialty Laboratories GmbH Im Neuenheimer Feld 583 69120 Heidelberg</p> <p>FON: (06221) 88 96 12 FAX: (06221) 88 96 13 info@peptid.de www.peptid.de</p>	<p>Synthesis of peptides and bioconjugates; peptide-specific antisera</p>

Biotechnology Companies

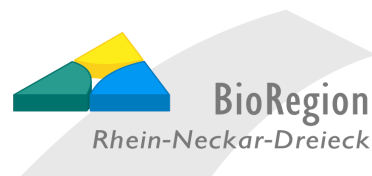

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>Phenex Pharmaceuticals AG Gebäude J542N; Chem2biz BASF Werksgelände 67056 Ludwigshafen</p> <p>FON: (0621) 67 19 60-0 FAX: (0621) 67 19 60-10 info@phenex-pharma.com www.phenex-pharma.com</p>	<p>Development of drugs acting on nuclear receptors using a proprietary <i>SnuRM</i> ("Selective Nuclear Receptor Modulators") technology platform</p>
<p>Phospholipid Research Center Heidelberg Im Neuenheimer Feld 582 69120 Heidelberg</p> <p>FON: (06221) 588 8360 FAX: (06221) 651 5665 info@phospholipids.net www.phospholipids.net</p>	<p>Research on the utilization and physiological significance of phospholipids and combined products of phospholipids as excipients and active ingredients in pharmaceuticals.</p>
<p>Phytoplan Diehm & Neuberger GmbH Im Neuenheimer Feld 519 69120 Heidelberg</p> <p>FON: (06221) 401 347 FAX: (06221) 401 347 www.phytoplan.de</p>	<p>Analysis, purification and isolation procedures for effector molecules from plants</p>
<p>Polyzenix GmbH Im Neuenheimer Feld 519 69120 Heidelberg</p> <p>FON: (06221) 58 50 50 FAX: (06221) 58 50 555 www.polyzenix.de</p>	<p>Developing and producing high-end surfaces exclusively for medical use.</p>
<p>Progen Biotechnik GmbH Maaßstraße 30 69123 Heidelberg</p> <p>FON: (06221) 8278 0 FAX: (06221) 8278 23 info@progen.de www.progen.de</p>	<p>Diagnostic tests for clinical laboratories and at point of care; selected antibody collection and unique research tools for routine and scientific use; custom-made AAV-2 and AAV-5 vectors</p>
<p>Promega GmbH Schildkrötstraße 15 68199 Mannheim</p> <p>FON: (0621) 8501-0 FAX: (0621) 8501 222 de_custserv@de.promega.com www.promega.com</p>	<p>Distributor for Germany and Austria of Promega Corp., Madison, WI: reagents and test systems for molecular biology</p>

Biotechnology Companies

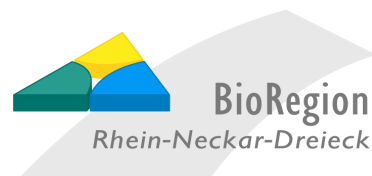

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>PromoCell GmbH Sickingenstr. 63/65 69126 Heidelberg</p> <p>FON: (06221) 64 93 40 FAX: (06221) 64 93 440 info@promocell.com www.promocell.com</p>	<p>Manufacturer of human and animal sera; isolation of human cells. Cell type-specific media; distribution of cytokines, growth factors and soluble receptors; systems for co-cultivation; ELISA & EIA</p>
<p>PROTRANS medizinische diagnostische Produkte GmbH Hohwiesenweg 51 68775 Ketsch am Rhein</p> <p>FON: (06205) 2929 90 Fax: (06205) 2929 920 mail@medipro.info www.mediprotrans.de</p>	<p>Research, development and production of diagnostic products for organ and bone marrow transplantation. DNA-based typing systems in SSP and SBT techniques; equipment for SSP and SBT; software for HLA typing; products for DNA extraction and purification</p>
<p>quantiom bioinformatics GmbH Ringstr. 61 76356 Weingarten</p> <p>FON: (07244) 706614 FAX: (0721) 151364611 contact@quantiom.de www.quantiom.de</p>	<p>Custom-made strategies for data analysis in the life science industry: Data analysis for cDNA and oligo micro-arrays, pharmaco- and toxicogenomics, mass spectrometry/electropherograms.</p>
<p>Scil Diagnostics GmbH Dina-Weissmann-Allee 6 68519 Viernheim</p> <p>FON: (06204) 7890 210 FAX: (06204) 7890 200 www.scildiagnosics.com</p>	<p>Enzymatic food analysis</p>
<p>Search-LC GmbH Bergstraße 140 69121 Heidelberg</p> <p>FON: (06221) 418604 FAX: (06221) 418608 info@search-lc.com www.search-lc.de</p>	<p>Products and services for quantitative PCR using the LightCycler (LC) technology: apoptosis, chemokines, cytokines, housekeeping genes, leukocyte antigens, murine parameters. Development of novel RT-PCR reactions (LC) upon customer request</p>
<p>SCREENomics GmbH Waldhofer Str. 102 69123 Heidelberg</p> <p>FON: (0700) 2466 4270 FAX: (0700) 2466 4271 www.screenomics.de</p>	<p>Proteome-based customized protein chips for drug-target screening. High-throughput expression systems.</p>

Biotechnology Companies

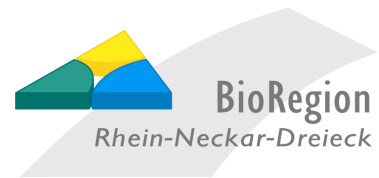

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)

<p>Serapeutics GmbH Skellstr. 20 67550 Worms</p> <p>FON: (06241) 959 6927 FAX: (06241) 975 617 odill@serapeutics.com</p>	<p>Development of pharmaceutical products for tumor therapy from natural occurring human antibodies</p>
<p>SERVA Electrophoresis GmbH Carl-Benz-Str. 7 69115 Heidelberg</p> <p>FON: (06221) 13840-0 FAX: (06221) 13840-10 info@serva.de www.serva.de</p>	<p>Producer and supplier of fine reagents for biochemistry, life sciences and bioseparation, particularly electrophoresis</p>
<p>SYGNIS Pharma AG Im Neuenheimer Feld 515 69120 Heidelberg</p> <p>FON: (06221) 4546 FAX: (06221) 454777 contact@sygnis.de www.sygnis.de</p>	<p>Drug development for neurodegenerative disorders, based on its proprietary technology platform</p>
<p>Synthon GmbH Im Neuenheimer Feld 583 69120 Heidelberg</p> <p>FON: (06221) 50 257 900 FAX: (06221) 50 257 909 info@synthon-analytics.com www.synthon-analytics.com</p>	<p>Chemometrics research and application for services in the chemical, pharmaceutical and biological fields, combining chemometrical, informatic and analytical methods</p>
<p>TF Instruments GmbH Im Neuenheimer Feld 583 69120 Heidelberg</p> <p>FON: (06221) 58801-10 FAX: (06221) 58801-29 info@tf-instruments.com www.tf-instruments.com</p>	<p>Analysis of differential molecular properties of macromolecules in small volumes of liquids by a proprietary ultrasonic resonator technology for applications in the medical, pharmaceutical, diagnostic and cosmetic industries, particularly for the early diagnosis of Alzheimer's disease</p>
<p>The Binding Site GmbH Robert-Bosch-Str. 2a 68723 Schwetzingen</p> <p>FON: (06202) 92 62 0 FAX: (06202) 92 62-222 www.bindingsite.de</p>	<p>Distribution of immunological products and diagnostic kits</p>

Biotechnology Companies

(for telephone and fax from outside Germany, dial xx49 and omit the zero of the area code in brackets)
