### **ABOUT US**

We have been promoting start-ups and innovation in Heidelberg and Baden-Württemberg since 1984. Our focus is on biotech, medtech, industry tech and artificial intelligence. We create space for startups and support founders through our accelerator programs, funding and financing programs, and our international network of venture capital investors.

Technologiepark Heidelberg GmbH is a joint venture of the City of Heidelberg and the Rhine-Neckar Chamber of Commerce and Industry. Our activities are supported by the Baden-Württemberg Ministry of Economics, Labor and Tourism and the European Union. The AI Garage is a program of the Baden-Württemberg Foundation.
